First TERM BULLETIN 2012/2013 ACADEMIC SESSION {JULY 19, 2013}

On behalf of the Proprietor and the entire Presentation family, I send you special greetings as we come to the end of 2012/2013 academic session. It is my prayer that God will continue to direct, protect and provide all your basic needs. Amen.

ACKNOWLEDGEMENT/GRATITUDE:

We use this medium to express our profound gratitude and appreciation to all our parents who honoured the invitation to our 18th graduation/ prize giving ceremony and launch of the year book. In a special way, we thank the donors and our well wishers, may the Almighty God and our Blessed Mother Mary remember your act of charity and continue to look upon you with favour in Jesus name. Amen. We are so proud to be associated with you.

EXCURSION:

The summer excursion this year is to the following countries; Dubai, Canada, New York, Washington D.C, Orlando, EUROPE; France, Netherlands and Germany. We encourage all parents who can afford it to always give their daughters/wards the opportunity as traveling is an integral part of a child's education. Those concerned would be furnished with necessary details.

FRENCH EXCURSION TO BENIN REPUBLIC

The departure date for this year's French Excursion to Benin Republic is July 20th, 2013. Students who are involved have been provided with necessary details.

SPIRITUAL GROWTH:

His Grace, Most Rev. Dr. A.O. Akubeze, Catholic Archbishop of the Metropolitan see of Benin City, administered the Sacrament of confirmation to our students. We use this medium to appreciate him and our Chaplain, Very Rev. Fr. Augustine Ehigie, who celebrated with him. We also thank all those who worked assiduously to see that it was a success.

DEBTORS

We appeal to parents who are owing the school to kindly settle their bills before resumption. Liaise with the Health and Account Department for details.

BEREAVEMENT

On a sad note, I regret to announce the passing away of our French Teacher, Late Mr. Aliu S.O. who departed this sinful world in may, 2013. May God grant him eternal rest and give those he left behind the fortitude to bear the lose. Amen

CHARACTER ASSESSMENT

For the sake of curbing the growing rate of insubordination in our various catholic institutions, the school heads in Edo State owned by the Catholic Archdiocese of Benin City and Uromi, have introduced a ten percent score line for character assessment. Following this, any student who fails to score at least 5% would be denied promotion. This is necessary because our mission is to produce students who are academically and morally sound. I

employ parents to talk to their children and wards on this issue. Let me also use this opportunity to appeal to parents to sternly warn their children/wards in JSS3 –SS1 who always exhibit traits of gangsters and all manner of stubbornness and insubordination to desist from such acts hence forth or face sanctions. We have identified the gang leaders and we are making plans to weed them out to avoid corrupting our system. Hence, parents are strongly advised to speak to the hearts of their children/wards for a radical change of behavior

RECONSTRUCTION

Massive reconstruction work is going on in the school to enhance teaching and learning. We call on good spirited parents, especially our ever ready and supportive PTSA to support our noble project. We sincerely apologize for the inconveniences this might cause the students, staff and parents. We have also completed the renovation of the refectory and floored the areas where we have the lines for drying clothes

NISSMUN CONFERENCE

This year's Nigeria International Secondary Schools Model United Nations (NISSMUN) Conference comes up from 26th to 30th October, 2013 at the

International Conference Centre, Abuja. Delegates are by this notice advised to research elaborately and be abreast with all the needed facts concerning the countries they represent. They are also to take note of the dress code and ensure that their boxes are neatly packed as they return, and kept at the convent in preparation for October.

HEALTH:

Parents are advised to take their children/wards for medical check up, and bring the report to the school. Failure to do this would attract a penalty of N3,000.00 (Three thousand naira).

LATE RESUMPTION

The policy on late resumption still holds. Late resumption with permission attracts a fee of N3,000, while that without permission is N5,000. Those affected are to resume the following Sunday.

GENERAL

We wish to re-echo that any Student who scored below 60% average would not be promoted to the next class. Those on 60% average and above are those that are qualified for promotion. The students are expected to check the school website for take home assignments from 6th of August, 2013. Those who failed to do their assignments would be decisively dealt with
